FROM THE PRINCIPAL

Our vision and values are central to all that we do at KFPS.

They are embedded into the curriculum and promoted in each learning area. They are the foundation of our behaviour.

Our vision is to provide quality teaching and learning in a safe and supportive environment in partnership with our school community.

Our values were;

Resilience

Effort

Safety

Persistence

Empathy

Creativity

Teamwork

We have recently been through the process of reviewing our values with staff, students and Governing Council, as the parent voice.

As a result, we have changed our values to ones that are easier to remember and more accurately reflect who we aspire to be as learners and as a community.

Our new values are **Respectful, Collaborative, Powerful Learners.**

Staff will work with students to develop their understanding of what these values mean. We would appreciate your support with helping our whole school community to become **Respectful, Collaborative, Powerful Learners.**

With Thanks,

Carol Farnworth

RESPECTFUL

COLLABORATIVE

POWERFUL LEARNERS

H3A IS LEARNING ALL ABOUT MAPS

In H3A we have been learning about maps and giving people directions to find things. This has been part of our integrated learning in Mathematics, HASS, Technology and Art. Our learning intention for this unit was: learning to give and follow directions to familiar locations and describe the position and movement of objects.

We started by creating maps of our hearts while we were learning from home. We thought about the things that are special to us and the amount of room they take up in our hearts. This activity incorporated aspects of our learning in HASS about special places and art.

Next we drew maps showing how to get to different places in our school. Then we went outside and followed them. This was an important step because we had to check that our maps were right and that we had included all the things we passed along the way.

We incorporated Technology into this unit, we used Bee Bots. These were fun because we got to push buttons to make them move around. We programmed them to follow a track. For some of us using the Bee Bots was easy while others of us had to be persistent to get it right.

The yummiest part of this Mathematics unit was eating the chocolate we found by following the directions our partner gave us. YUM! We learnt that we need maps and directions, so we know where we are going and how to get to different places.

Written by the students in H3A.

Performing Arts News

This term in Performing Arts, we have been focussing on drama. The students have been having fun learning about the elements of drama – how to set the scene, get into character and perform to an audience.

F-2 students acted out fairy tales and Dreamtime stories and had a great time getting into character with costumes, games, puppets and props.

Years 3-5 made up their own plays using crazy scene cards, learnt about physical theatre through mime and machine techniques and have just started working on scripted plays.

Students in years 6/7 devised their own plays and are currently working on creating their own radio drama similar to those done in the 1930's.

Our Instrumental Program is ever increasing with well over 40 students involved each week. Singing lessons are now being offered at KFPS and this term, Pete our drum teacher began a drum line with over 20 students of all ages.

Alison McGill - Performing Arts Teacher

Festival of Music Choir

The Festival of Music concert series provides many opportunities for young public school students to experience a professional performance on a world-class stage and this year FOM celebrated 130 years.

Keithcot Farm Primary has a rich connection to the Festival of Music and have been taking part for many years. Former KFPS Performing Arts teacher, Anne O'Dea is the Festival's Production Manager, Former KFPS Principal, Stephen Measday is the President of SAPPS (South Australian Public Primary Schools) board.

We are so proud of the 31 Festival Choir students who spent their day rehearsing and their night entertaining the audience with a magnificent concert on Saturday. Their behaviour and manners were exemplary and they showed great respect to each other and those around them. It was a wonderful collaborative environment with everyone working together and the students displayed powerful learning by memorising the words and actions to all 14 songs. They are such a credit to their parents and the entire KFPS school community.

A special thanks goes to our Performing Arts teacher, **Alison McGill** for coordinating the choir all year and our

wonderful choir teacher, **Carol Young** who always has so much fun with the students and instils such a love of singing. We are grateful to you both for giving our students such a wonderful experience. Thank you to all the family members who came to support their children.

KFPS Festival Choir 2021

Some photos of our students during the down time between the rehearsal and the concert.

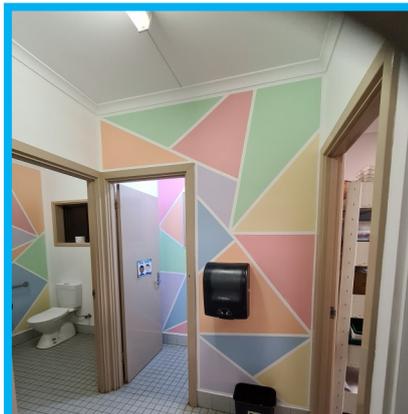

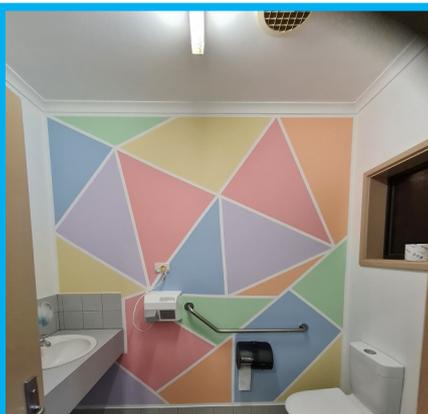

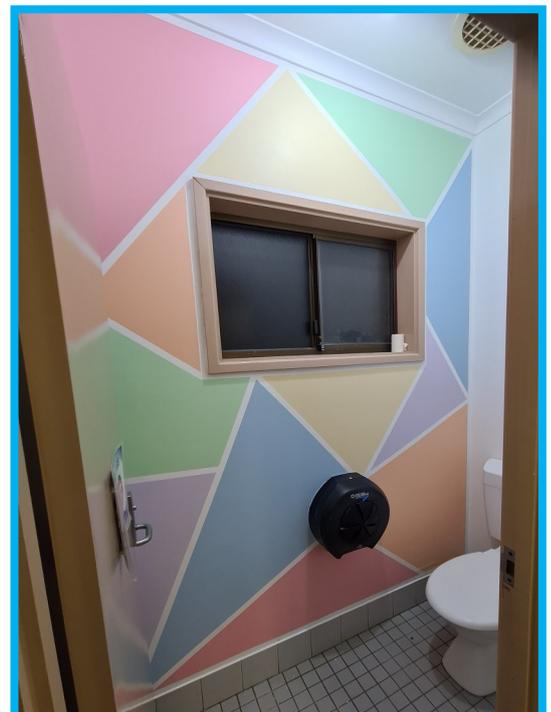

Toilet Transformation Project

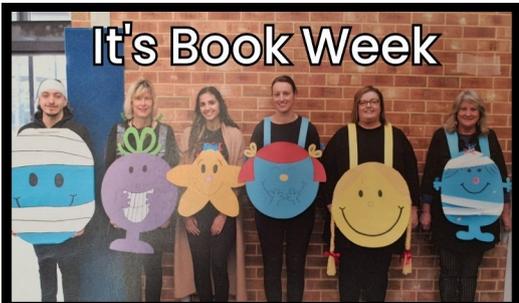

Our toilet transformation has finally been able to take place this term. All the Pods have had new lighting installed, a complete fresh coat of paint and we have had the lovely artist Cat Dean come in and do a makeover on the toilet doors to help brighten up these usually dark and dull spaces. We have had lots of positive feedback from students.

In addition, our House 3 staff (teacher Judy Burne and SSO Ali Nelson) also got inspired and painted the walls and ceilings in the House 3 bathrooms for the students to enjoy a bright and cheerful space.

BOOK WEEK PERFORMANCE & PARADE

OSHC Indigenous Artwork

The students attending OSHC have been able to create these amazing pieces of art with the assistance of the Marra Dreaming Indigenous Arts program. Students of all ages had the opportunity to contribute and be involved in the painting process and the results are incredible.

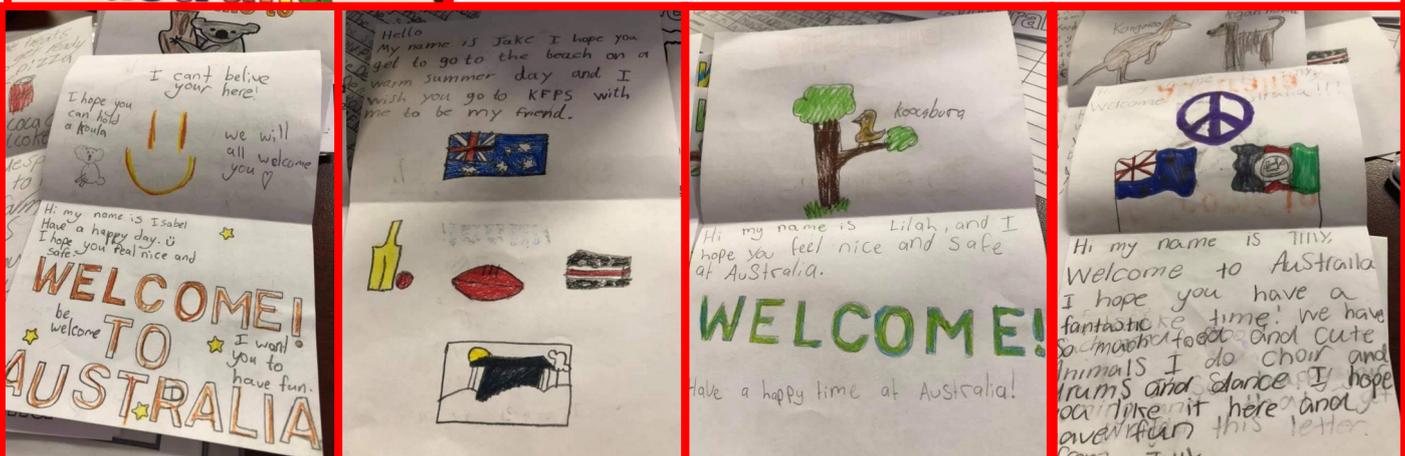

Marra Murrangga Kumangka means, "hands work together" in Kurna language and this is the program's ethos. Together they have created something beautiful.

Welcome to Australia

Some of our classes have made welcome cards for the Afghan families who have had to flee their country due to political unrest and violence. Thank you to our SSO Natalie for organising this project.

No act of kindness is too small.

A Couple Of Chefs In The Making

Zane and Jackson are buddies who work together with our SSOs. They made some delicious sausage rolls together and brought them into the office to share them with the office staff. They were delicious and they were pretty pleased with themselves. Thanks to Natalie and the boys for a lovely visit.

2021 Chess Champion

Congratulations to **Archer H** from P3B for winning the inaugural Chess championship.

Our senior students coordinated a Chess Tournament that ran over the last two terms. During term 3 the Grand Final was held and the winner was announced. A fantastic effort by runner up **Blake C**. Archer received a certificate and gets to keep the champion's trophy in his classroom for the rest of the year.

SAPSASA State Representation

Well done to **Kai T** (left) and **Yianni G** (right) who both represented our school in the State Carnivals for Hockey and Soccer last week. We are very proud of them both for reaching this level of competition.

Congratulations also goes to **James C, Owen Mc, Kalani F, Natalie C, Liliian T and Pranay P** for being selected by our SAPSASA District Convener to represent our district at the State Athletics Day on September 21st.

**KAI T
(HOCKEY)**

**YIANNI G
(SOCCER)**

Winners are Grinners!

A huge day in SAPSASA Sports last Friday with a clean sweep in girls football winning 5 from 5 taking out the Green division. The boys won their division winning 3 from 3 in the soccer.

Thank you to all the supportive parents and the pre service teachers for their support.

2021 SAPSASA Girls Football Champions

2021 SAPSASA Boys Soccer Champions

Special mention to Mr Batsiokis for coaching the boy's soccer team.

Kym Stocker - PE TEACHER

School Community Rewards News

**Save money
for your family...
raise money for
our school!**

How can your home loan (or car loan)
help benefit our school?

Through *School Community Rewards*, Credit Union SA will donate 0.20% p.a. of your total loan amount(s) to your nominated school.
