FROM THE PRINCIPAL

Wellbeing and Engagement

Each year our Year 4-7 students participate in the Wellbeing and Engagement Data Collection.

This year we completed the surveys at the end of March and have just received our results. To protect student identity we don't receive individual results.

The results support us in engaging school staff, students and the broader school community in conversations about our students' wellbeing and engagement. We are able to incorporate what is learnt, where necessary, into school and partnership planning.

Some of the results which you may find interesting are;

- School climate, which is the overall tone of our school environment, has increased from 24% in 2016 to 58% in 2019.
- School belonging, which refers to the degree to which young people feel connected and valued at school, has increased from 41% in 2016 to 58% in 2019.
- Our students reported an increase in their positive wellbeing, which means how positive they feel, in all areas of bullying:

Physical bullying positive wellbeing was 52% in 2016 and 72% in 2019.

Verbal bullying positive wellbeing was 21% in 2016 and 60% in 2019.

Social bullying positive wellbeing was 36% in 2016 and 76% in 2019.

Cyber bullying positive wellbeing was 67% in 2016 and 85% in 2019.

All areas of bullying show an improvement in students' positive wellbeing.

- An area of concern is that a lot of our students are experiencing 'worries'. In 2016, 37% of our students reported positive wellbeing in this area, in 2019 58% of our students are reporting positive well-being. While that is an improvement, there are still 42% of our students who are worried about things. As a whole school community we need to work together to develop strategies to support our students in this area.

Overall, our students' data showed that they are generally happy, optimistic and satisfied with life with a high academic self-concept. To enable our students to achieve to the best of their ability we aim to develop the whole child, which requires a focus on their wellbeing and engagement with school.

RESILIENCE EFFORT SAFETY PERSISTENCE EMPATHY CREATIVITY TEAMWORK

H2A

H2A has been learning about Australian animals. We have made a platypus out of paper plates and coloured paper. We shared our work at the week 4 assembly.

H2A Measuring Length in Maths

In House 2 A the children have been exploring measurement in length. They are using informal units to measure different objects in the classroom.

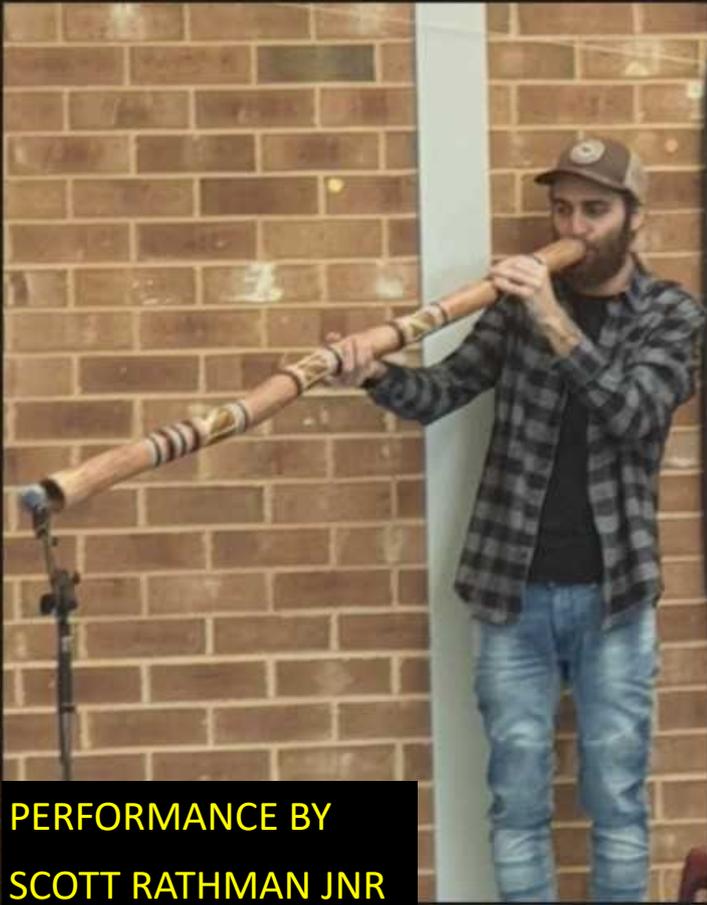

P1C ZOO TRIP

On Friday the 24th of May the year 4/5's from P1C and P1D attended an excursion to the Adelaide Zoo. The children spent the day discovering the different adaptations of many animals. We are now taking this information and choosing one animal to research in Science. The day was fantastic despite the weather and everyone had a great time.

NEW SPORTS DAY TEAM

NAMES ANNOUNCED

PENRHYN

PUMAS

SCARBOROUGH

SCREAMERS

FISHBURN

FLYERS

BORROWDALE

BOOMERS

Our student voice were tasked with finding names for our sports day teams. After a lot of consultation with their fellow students, their teachers and Governing Council they have come up with names for each team that represent the area that surrounds our school. Each team is named after a local street name.

Heart Foundation

Jump Rope for Heart

Our total raised to date is an amazing **\$12,801**

Jump Off Day is on Thursday 27th of June and this is the final transfer day for all sponsorship money. A timetable will be emailed out to families wanting to come watch or join in with their child's class. We will also have the **Jump Rope Team** coming to do a demonstration of their skills on **Friday 28th of June from 10am - 10.40am** if parents would like to join us in the gym.

Thank you all for your amazing support!!

OUR SAPSASA CHAMPIONS

SAPSASA BOYS NETBALL TEAM

SAPSASA GIRLS SOCCER TEAM

Our students had great success when they competed at the SAPSASA events this term with our boys netball team and girls soccer team both being undefeated and crowned Champions. We are so proud of you all, not only for the win but for the way you conducted yourselves and represented KFPS. Thank you to Mr Stocker, Mr Braithwaite & Mr Batsiokis as well as the parent helpers that made the day possible.

OSHC**

Attention school community

From the July School Holidays Keithcot King's OSHC will be using a new booking program for Before and After school care as well as Vacation Care. This new system will need all families that use OSHC to enrol their children in the service again. We will not accept any bookings from families that are not enrolled on the new portal.

To enrol you will need to go to <https://keithcotkingsoshc.fullybookedccms.com.au/family> and create an account.

For further information and help to create your account you can go to our OSHC website at www.keithcotkingsoshc.com.

GAZEBO DOWN

Our groundsman Simon and Sam have taken down our old gazebo and prepared the area for some fantastic new seating and will also be landscaping the area to flow on from the new nature play area.

At the end of this week (week 8) we will have Food Bank come to collect all the donations of non perishable items that our Community has donated. Our year 7 student leadership team have organised this project and have been weighing all the donated goods each day.

Our student leaders would like to thank the KFPS community for supporting them in this project and in turn supporting those families in need.

A final weight update will be posted to face book and emailed out to families.
