## FROM THE PRINCIPAL

PAT testing in Reading and Maths is currently happening with all Foundation to Year 7 students during weeks 7-10 of this term. We are also requesting that the Year 3 to Year 7's do the Vocabulary test, as this will provide us with some data for our Site Improvement Plan goal of improving student writing.

NAPLAN We have been informed that NAPLAN results should be provided to schools between the 16th to 27th of September. Just a reminder that next year we will be completing Naplan online. The Year 3's will be doing the Writing on paper, but Year 5's and Year 7's will be doing Writing online. To support your child in improving their keyboard skills, any practice that you can provide at home would be appreciated.

Road Crossing Safety The Tea Tree Gully Council have informed us that they will soon be installing some form of fencing to prevent students accessing the road near the roundabout to enter cars. This dangerous practice is currently happening and by installing fencing, pedestrian access to the road will be minimised.

School Promotion Next week we are setting up a table at the Golden Grove Shopping Centre to promote our school. There will be photos of the things that we do that are unique to our school. It will be set up near the National Pharmacies Chemist from Monday morning until Sunday. Please take the time to have a look.

Looking forward to seeing lots of families at Sports Day!

# H 3 A

House 3A have been enjoying talking about families in History, and discussing how all families are different. We have discussed our families and are accepting of everyone's unique family. We have used our art skills to draw our immediate families. We have also discussed how in House 3A we are like a big family who all care for each other.

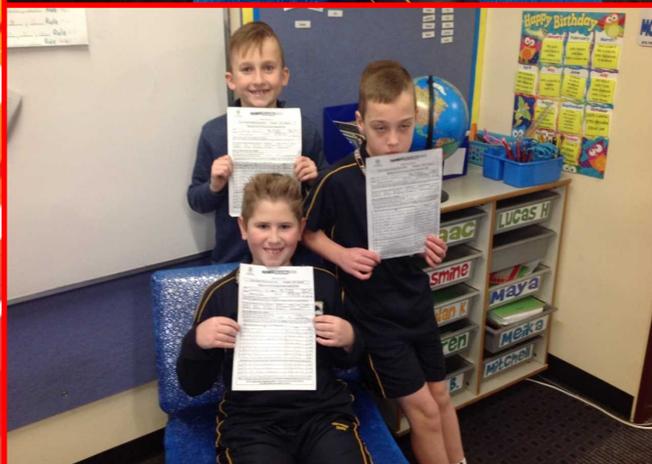

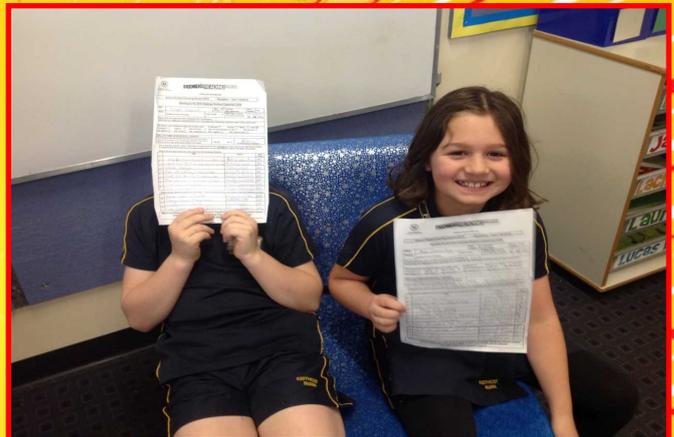

# READING IS OUR SUPER POWER BY P2D

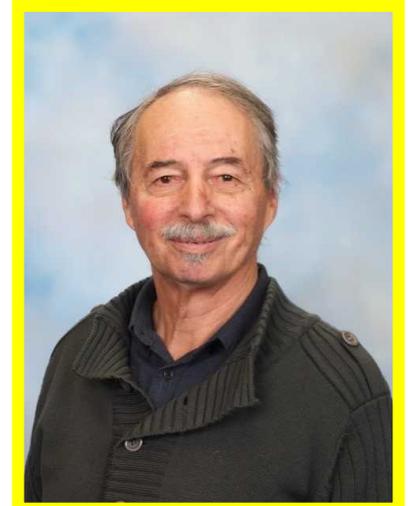

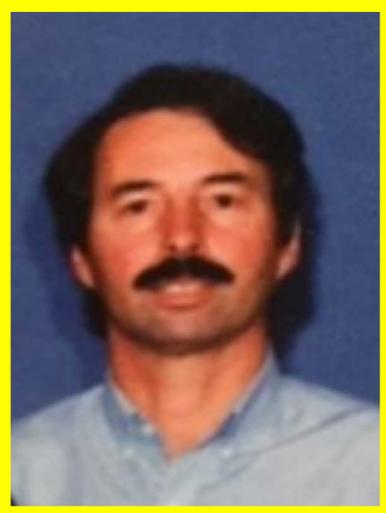

P2CD celebrate reading milestones. Reading Recovery students celebrate going up levels, Premiers Reading Challenge celebrates completing twelve books and all the students celebrate nights read using their reading diaries.

## RETIREMENT OF MR ALF D'ARSIE

Alf D'Arsie has been at Keithcot Farm Primary School for 26 years of his teaching career. All of us at Keithcot Farm Primary School wish him the very best in retirement and thank him for his years of dedication to teaching. We will miss him and think of him fondly as a wonderful member of the KFPS family. Parents are invited to join us for a farewell assembly on Tuesday the 24th of September at 2.30pm.

## **WAKAKIRRI** Australia's Largest Performing Arts Event for Schools

*The Greatest Wealth is Health*

On August the 21st our students performed in the Wakakirri Performing Arts event at the Entertainment Centre. It was a wonderful night and our students did us proud with not only an amazing performance but were a great example of the school values we uphold at KFPS.

We have won best creative reuse of sets and props award, best social media story award and have the honor of being nominated for story of the year. This is a fantastic achievement!

Thank you to our 6/7 teachers Mr Braithwaite, Mr Batsiokis, Ms Mahoney, Mrs Turnbull, Mrs Jannett and a special mention to the talented Jodie Stevens for all your help.

### **IT'S NEARLY GRADUATION TIME!**

We are collecting CU Passports in Week 1 of Term 4 (all books need to be in by Wednesday.) A box marked with the Children's University logo will be placed on the front office desk and passports that are handed in will be returned via the classroom. This will be your child's last opportunity to qualify for the minimum 30 hours required for graduation. Congratulations to the 20 students who have reached the 30 hour mark already.
